York County, Pa

Established 1838

Fall/Winter 2019

## Lower Windsor Township Police Host National Night Out

### What is National Night Out?

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live.

National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances.

### Is This An Annual Event?

National Night Out Day is observed annually on the first Tuesday in August throughout most of the United States. This year National Night Out celebrated its 36th year on August 6, 2019.

### Lower Windsor Township's National Night Out

On the evening of August 6, 2019 from 5:30 - 7:30 p.m. Lower Windsor Township Police Department along with the local fire departments, came together for a celebratory evening at Rexroth Park.

### Attending Agencies

Participating agencies, groups and organizations for the evening included: Canadochly Valley Ambulance Club, Boy Scouts, Craley Fire Company, Crime Stoppers,

East Prospect Fire Company, EYRA Softball, LWT Police Department, Lower Windsor Township, LWT Historical Society, Military History Club, Office of State Representative Stan Saylor, PA Fish & Boat Commission, York County Sheriff's Office with K-9, Substitute Teacher Service, Inc. and Yorkana Fire Company.

### Evening Events

Visitors to the park were able to get an up close look at the police vehicles including the Humvee, fire apparatus, ambulances and a LWT highway truck.

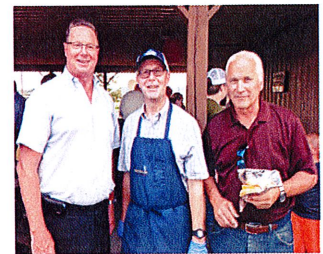

The younger crowd had an opportunity to become a firefighter for the evening as they sprayed water from the firehose onto a "pretend" building.

The Lower Windsor Township Historical Society opened the doors to the Martinsville schoolhouse for the evening al-

lowing visitors to get a glimpse into the one room schoolhouse. Old photos and other local memorabilia were also on display depicting a much simpler time.

The night's festivities also included fingerprinting, face painting and informational handouts. Hot dogs were also served up by Police Chief Dave Arnold.

Thank you to all who participated in this great community event.

Above: State Representative Stan Saylor, left LWT Police Chief Dave Arnold, middle and Supervisor, Don Schock, right at National Night Out.

Left: A Scout Troop setting up for National Night Out.

**We hope to see everyone next year!**

**ZONING HEARING BOARD**

Meets the 3rd Thursday of each month, at 6:30 p.m., as needed.

**PLANNING COMMISSION**

Meets the 4th Thursday of each month at 6:30 p.m.

***LWT Police Department Partners with Eastern York School District for School Resource Officer (SRO)***

*Above: Officer Mark Jackson, School Resource Officer.*

Lower Windsor Township Police Department along with the Eastern York School Board and Superintendent are pleased to announce that Officer Mark Jackson has been assigned as the department's first School Resource Officer (SRO). In this role, Officer Jackson will serve as a liaison between the Lower Windsor Township Police Department and the Eastern York School District.

After a week long training in June, Officer Jackson will then begin his duties starting with the fall 2019 school term. Officer Jackson has been assigned to work in both the Eastern York Middle School and the Senior High School.

**Duties of the SRO**

The School Resource Officer will fill three primary roles and objectives.

**Educator:** The SRO will advise students, parents, and faculty on law enforcement related issues as well as present programs on a variety of law enforcement and emergency response related topics that may include; drug abuse and awareness, emergency response procedures, crime prevention, and bullying.

**Mentor/Counselor:** The SRO will be a positive role model for students. The SRO's daily interactions with students, parents, and faculty will help to develop positive relationships and provide for a safer environment for all.

**Law Enforcement Officer:** The SRO will investigate criminal complaints and enforce state laws and ordinances. The SRO will help provide a safe environment through collaborative and preventative security planning with district officials when needed.

Police Chief Dave Arnold said he looks forward to this being the beginning of a successful partnership.

Both parties acknowledge this partnership will benefit not only the schools and staff, but the community at large.

***Officer Chris Kortright Promoted to Sergeant***

On the evening of April 11, 2019 at the Board of Supervisors meeting, Chief Arnold announced the promotion of Officer Chris Kortright to the rank of Sergeant.

Chief Arnold noted that Officer Kortright has served over nineteen (19) years with the Lower Windsor Township Police Department as a patrolman.

Chris has attended various trainings such as: Child Abuse Investigation, Internet Crimes, Tactical Driving, Vehicle Search and Seizure, Vascar and Taser Certification.

Chris was also the recipient of the Life Saving Award in 2017 and Chief's Award for Citizen Service in 2006.

*Left: Chief Arnold promoting Officer Chris Kortright to the rank of Sergeant.*

*Right: Tracey Kortright pinning the Sergeant badge on her husband's uniform.*

***Radon Awareness***

January is Radon Action Month, and as a public service, we are urging residents to test their homes for this silent but deadly killer.

DEP estimates that forty (40) percent of the homes in Pennsylvania have an unsafe level of radon, with many counties experiencing even higher percentages.

Winter is the best time to test for radon since homes are closed up and levels are at their peak.

**Congratulations Sergeant Kortright!**

## Fall Driving Can Be Dangerous

Weather conditions can be unpredictable in the fall. A bright, beautiful afternoon can turn rainy and cold in minutes. And with days getting shorter, you could find yourself commuting to or from work in darkness.

**School Traffic** - Fall means back-to-school for kids, which means more cars and buses on the roads. Drivers also need to watch out for increased pedestrian traffic in the morning and afternoon as children walk to and from school and their neighborhood bus stops.

**Rain** - The first rain in a few weeks can be particularly dangerous, as water pools on top of dust and oil that have not had a chance to wash away and makes the pavement extremely slippery.

**Leaves - (and leaf peepers)** - Fall foliage is certainly beautiful, but as leaves begin to fall, they litter the roads, making streets slick while obscuring traffic lines and other pavement markings. They also hide potholes and other road hazards. And when it rains, it can make those wet leaves on the roadway as dangerous as ice.

And where there are turning leaves, there are leaf peepers. These leaf-peeping drivers tend to crawl along the roads and make unpredictable stops to admire the changing foliage. If you're driving behind a car with out-of-state plates, give them a little extra space just in case they stop short for a photo.

**Fog** - Cold fall mornings often lead to fog, which can greatly limit your driving visibility and perception of distance. Fog tends to occur in low places or areas surrounded by hills, water, mountains, and trees. One common mistake drivers make during foggy conditions is putting on their high beams instead of staying with their low beams. This only makes visibility worse, because your high beams will bounce off the fog and

create a glare.

When driving through fog, slow down and stay well behind the car in front of you so you'll have adequate time to stop if you need to.

**Frost** - During the fall, temperatures tend to drop dramatically during the night, which can lead to morning frost and icy spots on the road. This is especially common on bridges, overpasses, and shaded areas of the road.

**Sun Glare** - Fall is also a bad time for sun glare on the roads. Sun glare can impact your sight for seconds after exposure, making it hard to see pedestrians, oncoming traffic, or the car in front of you. According to the National Highway Traffic Safety Administration, drivers describe being "blinded" after exposure, and this sometimes leads to accidents or near misses.

Sun glare can also cause problems when the sun sets behind drivers. In this case, sunlight can bounce off your rearview mirror or reflect off traffic lights up ahead, and this can blind you for a split second while your eyes adjust. It can also make it hard (or impossible) to see traffic lights, which can prevent you from knowing if you're supposed to stop or go.

**Deer** - The fall season brings an increase in deer activity because it's their time for mating and migrating. If you live in a deer-heavy area, watch for darting deer, especially when driving at night.

## Highway Department

**Brush Drop - Off** - The last brush drop-off for the year will take place on Saturday October 12, 2019. Collection takes place from 7:00 a.m. - 9:00 a.m. at the public works building, located at 111 Walnut Valley Court. Proof of residency is required.

### Mailbox Guidelines

The Public Works Department reminds residents of the following mailbox guidelines, if you have seen repeat plow damage in the past. The Township does not reimburse for mailbox damage.

### Fall Driving Tips

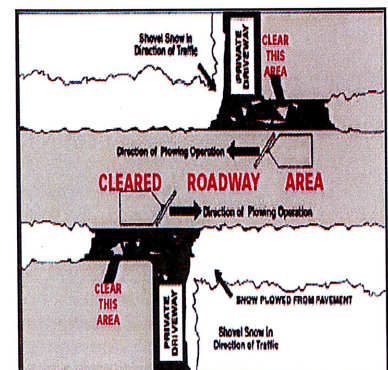

- **Watch Your Speed** - Drive a bit slower when faced with fall driving hazards.
- **Keep Your Distance** - Leave a little more space between you and the car in front on rainy or foggy days, during dawn or dusk, and in areas with wet leaves. This will give you more time to react.
- **Stick With Low Beams** - Keep your headlights on low when driving in the fog and rain. High beams will only cause glare.
- **Clear Frost Away From Your Windows** - Frost can reduce visibility.
- **Approach Traffic Lights Carefully** - Sun glare can make it harder to see traffic lights change.

- Place a six (6) to eight (8) inch piece of reflective tape on the mailbox to make it more visible to the plow operator.
- Remove snow from around the mailbox.
- Consider relocating the mailbox if it is in the legal right-of-way.
- Make sure the mailbox is firmly supported in the ground to withstand the snow moved aside by the plow.

Finally, it is the homeowners responsibility to ensure the visibility and stability of their mailbox.

### State Roads

Any complaints regarding plowing issues or mailbox damage that occurs on state roads please contact PennDOT at 717-848-6230 to discuss.

## *Types of Residential Permits*

### **Zoning and Building Permits**

Lower Windsor Township requires permits for many types of construction and building work. Some jobs require only a Zoning Permit while other jobs will require a Building Permit. These are separate permits which now use the same application form.

**Zoning Permits** - Fall under the Township rules and Ordinances. Zoning Permits are issued within ten (10) business days.

**Building Permits** - Are governed by the Pennsylvania Uniform Construction Code and will require inspections during the work. Building Permits require fifteen (15) business days.

There is only one permit application to fill out. The permit(s) issued will be either Zoning, Building or both. Each permit has different fee requirements, but both are issued from the Township office.

### **What Type of Residential Permit is Required for my Project?**

**Zoning Permits:** Carports, garages and sheds NOT attached to your house; porches, patios, paver patios, sidewalks and walkways; decks that are no higher than thirty (30) inches from the ground, widening a driveway or parking area (whether its new paving or stone). Also, any work that changes the ground within the floodplain requires a permit...ANY work.

**Building Permits:** Home additions of any type, porch roofs or extensions, new doors or windows where the new ones and old ones are different sizes; changes to the structural integrity of the house (exterior walls, floors, roof trusses, beams and the like); installing a wood burning/pellet stove with a chimney; swimming pools deeper than twenty-four (24) inches; non-residential, permanent signs.

**Zoning AND Building Permits:** Some work requires both permits. Decks over thirty (30) inches high, demolition of any structure, new homes and additions; accessory structures over one thousand (1,000) square feet; swimming pools with decks and/or patios.

### **Must I Manage the Stormwater?**

As always, stormwater management is required on your lot for ANY and ALL new impervious surfaces (an area that no longer allows the rain to seep through). This can be done several different ways which may include rain gardens, seepage beds, or infiltration trenches. All of these can be done by the homeowner and need not be terribly expensive.

---

For all zoning, building or ordinance related questions, contact Monica Love, Zoning Officer during normal business hours. Monday - Friday 8:00 a.m. - 4:30 p.m. at 717-244-6813 or email: [mlove@lowerwindsor.com](mailto:mlove@lowerwindsor.com).

## *Street Number Ordinance*

Ordinance 2008-01 passed in April of 2008 requires all buildings within Lower Windsor Township to post and maintain the assigned street number. Property owners are required to post the address on the front of the building, visible from the street, in minimum three (3) inch high numbers. The numbers shall be in contrasting color to the background on which they are placed. Reflective numbers are preferred, but not required.

### **Street Numbering Guidelines**

**Buildings That Are Not Visible** - Where a building is not visible or is more than 100 feet from the road, three (3) inch high numerals may be placed on a fence, post or mailbox within ten (10) feet of the driveway. These numbers must be at least twenty-four (24) inches from ground level so that they are easily seen from the road.

**Joint Driveways/Access/Private Streets** - Where multiple buildings are lo-

cated along a joint driveway, access or private street, each address must be posted at the entrance from the street and at each individual drive or front yard area.

**Buildings On Corner Lots** - Buildings situated on a corner lot must display the number only on the street representing the correct mailing address, regardless of the driveway location.

**Mobile Home Parks** - Must have a sign at the main entrance to the park which displays the name of the park and the main address. A site map shall be displayed at the main entrance, which identifies the street names and addresses within the park. Individual home numbers shall be three (3) inches high, in a contrasting color to the background, visible from the access drive, and shall be uniformly placed throughout the park.

**Mailbox/Mailbox Post** - Numbers may be placed on a mailbox or mailbox

post only if the mailbox is located directly in front of that building, and on the same side the street, affixed to both sides of the post, and twenty four 24 inches above the ground. Grouped mailboxes may not be the only means of identification.

### **Important Reminder**

It is important to have your house number visible from the street for your family's health, safety and welfare. Ambulance, fire and police services have noticed an issue with houses that do not display street numbers.

It's also a Township requirement!

### **2019 Septic Pumping**

A reminder that 2019 is the year for all township residents located in District #2 to have their septic systems pumped and inspected by December 31, 2019.

District #2 - Consists of all properties south of East Prospect Road and Calvary Church Road and east of Prayer Mission Road and Snyder Corner Road.

## Propane Tanks and Rechargeable Batteries

Any type of container that previously contained gas or fuel should NEVER be placed in your curbside trash or recycling bin or be recycled! This includes propane tanks, small camping gas tanks, butane, and Paslode quick fuel cartridges.

While some Solid Waste Authorities do accept them at their drop-off locations, others do not which can make disposal tricky. It is imperative these gas tanks are disposed of properly because they are a fire hazard.

Right: Images of items that are never to be thrown away or recycled.

### Local York Drop-Off Locations

- **Consolidated Scrap Resources**  
120 Hokes Mill Road, 717-843-0931.
- **Consolidated Scrap Resources**  
530 Vander Avenue, 717-843-0931.
- **Darrah's Automotive & Recycling**  
535 Prospect Road, 717-845-9679.
- **J & K Salvage** - 1099 Kings Mill Road, 717-843-3672.
- **West York Agway** - 2650 W. Market Street, 717-668-8258.

It is advisable to call your desired location in advance to ensure they are still accepting tanks from the public. Check for special instructions such as valve removal and if there are any disposal fees.

If none of these resources work for you, visit [www.Earth911.com](http://www.Earth911.com) for additional resources by entering your zip code.

### Rechargeable Batteries

Rechargeable batteries should NEVER be placed in your curbside trash or recycling bin or be recycled! Rechargeable batteries are a fire hazard and are prone to exploding.

Rechargeable batteries are found in laptops, cell phones, wireless security cameras, digital cameras, and rechargeable tools, just to name a few.

### Battery Drop-Off Locations

- Best Buy
- Lowe's
- Home Depot

It is advisable to call your desired location in advance to ensure they are still accepting rechargeable batteries from the public.

## Susquehanna Area Senior Center

The Susquehanna Area Senior Center, located at 2427 Craley Road, Wrightsville, provides activities and programs that help to enrich the lives of Seniors, aged sixty and over. We offer a daily hot lunch to our members. Membership is **FREE** at the Susquehanna Senior Center!

### Events Calendar

**September 13 - Cash Bingo** 6:00 p.m. Call for sponsorship and ticket information.

**September 17** - Join Matthew Dodd at 1:30 p.m. for a **Civil War Presentation**.

**October 18 - Book/Bake Sale** 9:00 a.m. - 2:00 p.m. at the Senior Center.

**December 12 - Concert** 6:30 p.m. Join the Hearts in Harmony choir for an evening of Christmas music. All are welcome!

For questions pertaining to these or other events/activities, contact Trena Howard, Director during normal business hours. Monday - Friday 8:00 a.m. - 2:30 p.m. at 717-244-0340 or email: [susquehannaseniorcenter@yahoo.com](mailto:susquehannaseniorcenter@yahoo.com).

## York County Area Agency on Aging

The Agency on Aging seeks volunteers for an exciting program!

The York County Area Agency on Aging (YCAAA) is seeking York County residents interested in volunteering for its Judicial Center Tour Guide program.

The York County Area on Aging provides all the necessary and required training. Learn more about the court system, while becoming a Judicial Center Tour Guide, and observe an actual trial!

Tour guides provide **FREE**, pre-scheduled tours to groups of forty-five (45) people or less, to the community and school groups. Time commitment is flexible.

For more information contact Hope Eberly, Volunteer Coordinator, at 717-771-9610 or 1-800-632-9073. Or via email at [HCEberly@yorkcountypa.gov](mailto:HCEberly@yorkcountypa.gov).

**Volunteer Today!**

## Fall Tax Collector's Schedule

Dawn Fitch, Tax Collector  
57 New Bridgeville Road  
(rear of building)

Wrightsville, PA 17368

Phone/Fax: 717- 246-2751

Email: [drfitchtaxcollector@gmail.com](mailto:drfitchtaxcollector@gmail.com)

### OFFICE HOURS

**September 30** - 9:30 a.m. - noon  
4:30 p.m. - 6:30 p.m.

**October 31** - 9:30 a.m. - noon  
4:30 p.m. - 6:30 p.m.

**November 27** - 9:30 a.m. - noon  
4:30 p.m. - 6:30 p.m.

**December 28** - 9:00 a.m. - 11:00 a.m.  
**30** - 9:30 a.m. - noon  
4:30 p.m. - 6:30 p.m.

**Other Hours:**  
By appointment only

*Closed Holidays and Weekends*

## Eastern York Recreation Authority

The EYRA would like to convey a great big thank you to all the contributing municipalities, EYRA board members, coaches, volunteer coordinators, along with all the participants and their supporters. Our first season would not have been a success without the time, talents and efforts of these individuals!

Over the summer, our activities included open gym basketball and volleyball, baseball night at the York Revolution, National Night Out events, painting class, vermicomposting and papermaking. Team sports included baseball, soccer and softball with approximately four hundred (400) participants.

### Upcoming Programs

#### October 6 - Zumbathon

#### December 2 - American Red Cross Babysitters Training

Programs in the works include: fitness classes, circus school, indoor kite flying and other educational sessions.

Look for upcoming activities/program information at <http://eyra.bonzidev.com> and follow us on Facebook and Twitter.

### Upcoming Bus Trips

**October 2 - Fall Foliage and Train Excursion** - Arrive at the Hotel Anthracite for breakfast, while listening to the amazing Eric Kearns. After lunch, ride the rails along the scenic Lackawaxen River, through the historic town of Hawley, and the wooded beauty of the Poconos. The trip includes transportation, entertainment, luncheon, rail excursion, meal taxes and gratuities. \$105/person.

**December 14 - New York City** - On this "day on your own" in NYC, you'll find an unbelievable array of shopping, world class museums, restaurants and tons of Broadway theaters. This trip includes transportation and map. \$65/person.

**December 27 - Kalahari Resorts** - Spend time with family and friends in the Poconos over winter break. Experience America's largest indoor water park featuring a retractable roof, stand-up surfing or body boarding, twisting waterslides, a relaxing lazy river, hot tubs, wave pool and more! This trip includes transportation and waterpark admission. \$89/person. This is a great deal!

### Bus Trip Contact Information

**Website:** <http://eyra.bonzidev.com>

**Contact Person:** Chrissie at Lowee's Tours, 717-657-9658

**Email:** [ckelly@lowees.com](mailto:ckelly@lowees.com)

**Departures/Returns:** The bus will depart and return to the Springettsbury Township Park, 1501 Mt. Zion Road, York.

Be sure to mention Eastern York Recreation when you register!

## 2020 Spring Youth Sports Registration

**Baseball** - Registration for the season will open in mid/late January for ages 5 - 14. The practices and games will be held in Hellam.

**Softball** - Registration for the season will open in mid/late January for ages 5 - 18. The practices and games will be held in Hellam and at Lower Windsor Township.

**Soccer** - Registration for the season will begin in mid October for ages 5 - 14. The practices and games will be held at Barshinger Fields.

All programs will require parental involvement by assisting with fundraisers, and working shifts in the concession stand. More information will be posted on Facebook and <http://eyra.bonzidev.com> as it becomes available.

For additional information about these or any upcoming programs, contact Jessica Cirilo, Director at 717-487-5295 or via email: [eyrecauthority@gmail.com](mailto:eyrecauthority@gmail.com). Follow EYRA on Facebook and Twitter.

## Fire Prevention Week, Oct. 6 - 12

The National Fire Protection Association (NFPA) has announced "Not Every Hero Wears a Cape. Plan and Practice

**Your Escape!**" as the theme for Fire Prevention Week, October 6-12, 2019. This year's campaign works to celebrate people of all ages who learn about home fire escape planning and practice, bring that information home, and spur their families to action.

The campaign also focuses on what a home escape plan entails and the value of practicing it. These messages are more important than ever, particularly because today's homes burn faster than ever. Synthetic fibers used in modern home furnishings, along with the fact that newer homes tend to be built with more open spaces and unprotected lightweight construction, are contributing factors to the increased burn rate.

### Make An Escape Plan

A home escape plan includes:

- Working smoke alarms on every level of the home.
- Smoke alarms in every bedroom and near all sleeping areas.
- Two ways out of every room, usually a door and a window, with a clear path to an outside meeting place. An area that is a safe distance from the home such as a tree, light pole or mailbox.
- Home escape plans should be practiced twice a year, by all members of the household.

## *Craley Community Fire Company*

### Events Calendar

**September** - Selling subs for October 24 delivery. Black Friday Gun Raffle tickets will also be available for purchase.

**20 - Fall Shooting Match** begins at 7:00 p.m.

**28 - Fishing Tournament** on the Susquehanna.

**October** - Selling gift cards for Texas Roadhouse.

**18 - Shooting Match** begins at 7:00 p.m.

**November 9 - Annual Cash and Meat Bingo Night.** Doors open at 5:00 p.m., Bingo begins at 6:30 p.m.

**29 - Black Friday Shooting Match and Gun Raffle** begins at 1:30 p.m.

**January 1, 2020 - New Year's Day Shooting Match** begins at 1:30 p.m.

All dates are tentative and are subject to change. For questions concerning hall rental or monthly events contact Don Fake at 717-495-1371.

The Craley Fire Company would like to thank everyone for their support during the membership drive, Craley Celebration and other fundraisers throughout the spring and summer months.

## *Yorkana Community Fire Company*

### Events Calendar

**Note:** The Township offices are closed on the following dates:  
**Nov. 28, 29, Dec. 24, 25, 31, and January 1, 2020.**

*2020 Budget Preparation*

Preparation and adoption of the annual budget is based on careful planning of the Township’s activities and making reasoned and balanced decisions on how the municipal resources will be spent for the coming year.

This year the Board of Supervisors will hold their Budget Workshop on Thursday October 24, 2019 at 6:00 p.m. at the Lower Windsor Township Building.

**All residents are encouraged to attend!**
